PROFESSIONAL SUMMARY

Motivated BCA student specializing in Data Science, Artificial Intelligence & Language Technologies at SRMU, Lucknow (2025–2028). Proficient in Python, JavaScript, HTML/CSS, and SQL with hands-on experience building and deploying 5+ real-world applications — including SUKOON, an AI-powered mental wellness platform using NLP. Certified by Saylor University, IIST, and NSTI Mumbai. Actively seeking internship or entry-level opportunities in Data Science, AI, or Web Development.

EDUCATION

Bachelor of Computer Applications (BCA) — Data Science, AI & Language Technologies

Shri Ramswaroop Memorial University (SRMU), Lucknow

2025 – 2028 (Expected)

Relevant Coursework: Python Programming · Data Structures · Database Management · Machine Learning Fundamentals · Web Technologies · AI & NLP

12th Standard — Science (PCB)

Intermediate College, Basti, Uttar Pradesh

2020 – 2022

TECHNICAL SKILLS

Programming Languages: Python · JavaScript · C · Java (basics) · HTML5 · CSS3

Data Science & ML: Pandas · NumPy · Matplotlib · Scikit-learn · Regression · Classification · NLP

Web Development: Responsive Design · JavaScript (DOM) · React (basics) · REST APIs

Database: SQL · MySQL

Developer Tools: Git · GitHub · VS Code · Jupyter Notebook · Google Colab

Soft Skills: Problem Solving · Analytical Thinking · Quick Learner · Team Collaboration

Languages: Hindi — Native · English — Professional Working Proficiency

PROJECTS

SUKOON — AI-Powered Mental Wellness Platform

Tech: Python · AI · NLP · JavaScript | [Live: https://ramprakashprajapati.github.io/S-U-K-O-O-N-/](https://ramprakashprajapati.github.io/S-U-K-O-O-N-/)

- ▶ Built an AI-powered emotional support platform leveraging NLP to provide mindfulness guidance and stress management tools.
- ▶ Designed intuitive UI with calming micro-interactions; deployed live on GitHub Pages.
- ▶ Demonstrates end-to-end AI application development with real-world social impact.

All-in-One QR Code Generator

Tech: HTML · CSS · JavaScript · QR API | [Live: https://allinoneqr.cloud/](https://allinoneqr.cloud/)

- ▶ Developed a multi-purpose QR code tool supporting URLs, plain text, and contact info — deployed on a custom domain (allinoneqr.cloud).
- ▶ Implemented clean, responsive UI with instant QR generation and download functionality.

My Bond — Relationship Management App

Tech: HTML · CSS · JavaScript | [Live: https://ramprakashprajapati.github.io/My-Bond/](https://ramprakashprajapati.github.io/My-Bond/)

- ▶ Engineered a web app enabling users to organize and track personal/professional relationships dynamically.
- ▶ Applied event-driven JavaScript for real-time UI updates and persistent interaction patterns.

Personal Developer Portfolio

Tech: HTML · CSS · JavaScript · Responsive Design | [Live: https://ramprakashprajapati.github.io/Ram-Prakash-Prajapati-Portfolio/](https://ramprakashprajapati.github.io/Ram-Prakash-Prajapati-Portfolio/)

- ▶ Designed and deployed a bilingual (Hindi/English) portfolio with animated sections, dark/light mode toggle, and integrated AI chatbot assistant.
- ▶ Showcases all projects, certifications, and technical skills in a professional format.

CERTIFICATIONS

- ✓ **Introduction to Python** — Saylor University | January 5, 2026
- ✓ **Software Engineer Certificate** — Saylor University | January 2, 2026
- ✓ **C Language Programming Certificate** — IIST Computer Institute | February 10, 2026
- ✓ **Skill Saksham — Industry Tech Training** — NSTI Mumbai (Govt. of India) | April 2025

ACHIEVEMENTS & ACTIVITIES

- 5+ Projects Deployed — Built and launched real-world AI, web, and data science applications on GitHub & live domains.
- Open Source Contributor — Consistent GitHub profile with public repositories, version-controlled codebases, and regular commits.
- 4 Industry Certifications — Completed certifications from Saylor University, IIST, and NSTI Mumbai (Government of India).
- Hackathons & Coding Challenges — Participated in online competitions to strengthen problem-solving and algorithmic thinking.
- BCA Specialization in AI & Data Science — Pursuing a targeted curriculum covering ML, NLP, and advanced computing.

I hereby declare that all the information provided above is true and correct to the best of my knowledge.

Ram Prakash Prajapati
